

Important Information for all Marshals

Useful telephone numbers:

Long Eaton Police Station (Non-emergency) 0345 123 33 33

Colin Bostock - Event Organiser 07801 444615

Ian Wallis - Start/Finish Co-ordinator 07736 073036

Rob Fox - Course Marshal 07922 154793

The event organisers have obtained a Temporary Road Closure Order from Erewash Borough Council enabling you to control the traffic at your marshal point between 1000hrs & 1130hrs on the day of the race. This means in effect, that you will have to deal with residential traffic only.

When the lead runners approach, please control traffic in such a way as to allow the field to proceed along the route unhindered, and to filter vehicles through the gaps when safe to do so.

In the event that emergency services need to cross the route you must delay runners for as long as necessary to allow them to pass.

If an emergency situation arises at, or close to your race point, do not hesitate to dial 999 if you feel the incident warrants such a response, or dial non-emergency number above.

If you see any runners who are in need of medical attention, or who need transport to return to the park, ring me on number above.

Once the last runner has passed, followed by the "last man bicycle" please inform me on the number above.

Finally, before returning to the Start/Finish point in the park, please assist with the clear-up by collecting any course marking tape or signage that you are able to carry.

Many thanks

Rob Fox
